

Q30

INFINITI

EMPOWER THE DRIVE

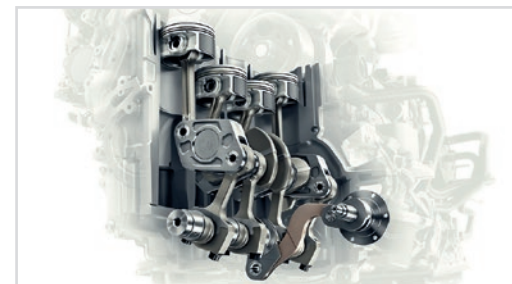

EMPOWER THE DRIVE

We are like you. We push ourselves beyond our comfort zone. While others might be content with making better machines, we are driven to go beyond – to design cars that push human potential. We build technology to enhance your senses, striking design that demands a response and performance that makes you feel more alive. Transforming ideas into practice for the road you drive.

DRIVEN BY FIRSTS

More than a mantra, an entrepreneurial mindset points in one direction – forward. At INFINITI, this commitment results in world's first technologies that have unleashed human potential by enhancing human abilities. Proof that putting you first, puts us first.

INFINITI VARIABLE COMPRESSION TURBO ENGINE

A breakthrough in internal combustion engine technology, the INFINITI Variable Compression Turbo will be available with future generations of INFINITI vehicles. It is the first production engine that continuously adjusts compression ratio optimizing power and efficiency. The multilink system flexes to lower the compression ratio when more horsepower is needed and relaxes to raise the compression ratio when fuel efficiency is desired.

So watch this space.

2005

LANE DEPARTURE WARNING* Using a camera to monitor road markings, Lane Departure Warning alerts you with an audible signal from unintentionally drifting from the traveling lane when you haven't signaled.

2008

AROUND VIEW® MONITOR* Four cameras and one virtual 360° view from above elevate your parking expertise, while also alerting you of nearby moving or stationary objects.

2011

BLIND SPOT INTERVENTION** Sense beyond what you can see with Blind Spot Intervention®. It warns you if a vehicle is detected in the blind spot area, and is engineered to intervene and help you to avoid a collision.

2013

BACKUP COLLISION INTERVENTION* This visionary technology warns you if it detects rear cross-traffic and large stationary objects when backing up. To help you avoid a collision, the system can even brake for you.

2014

DIRECT ADAPTIVE STEERING** At 1,000 adjustments a second, Direct Adaptive Steering® constantly fine-tunes your steering performance to filter out unwanted vibrations.

PREDICTIVE FORWARD COLLISION WARNING* Your INFINITI can not only monitor the vehicle directly ahead of you but the vehicle in front of that one as well. If the system detects a potential risk, it provides an audible and visual alert.

COMING
SOON

* Available on selected vehicles. See back cover for more information about driver assistance features.

INFINITE POTENTIAL

We believe every driver is empowered with untold possibilities. To excel. To go as far as their drive will take them. See this take shape on the INFINITI Q30, where dramatic lines and bold proportions put you out front, defining your style. Rule the streets with intelligent technologies designed to enhance performance. Begin by crafting your Q30 for your individual journey. Every selection will transform vision into reality. Yours.

SEE WITH EYE-INSPIRED DESIGN Recognisable from both the front and side, eye-inspired LED headlights and taillights display iconic INFINITI style from every angle.*

DRIVE DESIGN FORWARD While the INFINITI Q30 is styled with a flair all of its own, the Sport model brings out its sharpest side. Aggressive openings and corners define the Q30 Sport front fascia, which is matched by an unmistakable rear bumper with integrated, chrome exhaust tailpipes.

*Available on selected models. See back for more information about driver assistance features.

Please see the actual colours at your local INFINITI Retailer. *Available at extra cost.

INTERIOR TRIM

UPGRADE YOUR CAPABILITIES

How will your Q30 come to life? Born to challenge, it offers bold ideas for the driven. Create an interior as unique as you. Push the latest technology and change your perception. Of what a premium 5-door can be. And what a powerful statement you can make.

ADAPT FOR WHAT'S NEXT Whatever you come up with tomorrow, you'll know you're ready. The Q30 offers a wide square opening that makes loading and unloading incredibly easy. Pop open the rear liftgate and you'll have direct access to the cargo area, clear from any obstruction.* The 60/40 folding rear seats open up more space to carry more of your things while a middle pass-through on LUXE TECH and SPORT TECH models holds skis or that must-have tower lamp.*

EXPRESS YOUR INDIVIDUALITY Inside Q30, a choice of specialty colour themes reflects a new mindset. Choose between the premium look and feel of inviting graphite leather, the natural appearance of wheat leather or go even more evocative with the modern colour combinations in the available Gallery White style pack.*

SEE EVERY SIDE Gain a new perspective on what's around you when you select the Sensory pack. With the Around View® Monitor with Moving Object Detection and Front and Rear Sonar System*, it's easier to see and manoeuvre in even the tightest spaces. Four cameras and one virtual 360° view from above elevate your parking expertise, alerting you when a moving object is detected close by.*

PARK WITH EASE Make parking look easy with the Sensory pack. A first from INFINITI, Intelligent Park Assist uses a combination of 12 sensors to identify a parking area large enough for Q30. Simply engage the gearshift, press a button to confirm, and operate the accelerator and brake pedal. Your vehicle will steer itself smoothly—reversing-in, manoeuvring at a 45° angle or parallel parking into your favorite spot at the café.*

*Available on selected models. See back for more information about driver assistance features.

¹ New cars have been type-approved under the globally harmonized Worldwide Harmonized Light Vehicles Test Procedure (WLTP), a more realistic test method for measuring fuel consumption and CO₂ emissions. The displayed fuel consumption (miles per gallon – MPG) and CO₂ figures are obtained from laboratory testing in accordance with the current EU legislation and are intended for comparison between vehicles. The figures may not reflect real driving mode and are determined on the basis of a standard equipment. Optional equipment, condition and usage of the vehicle, driving behavior, weather and external conditions may affect the official results. Figures for vehicles indicated with (1) were determined under the new WLTP test cycle and back translated to an equivalent NEDC figure for the sake of comparison.

The displayed fuel consumption and CO₂ figures are on the base of provisional non-official figures because the official final emission and fuel consumption WLTP figures are not available at the time of publication. Please note that the official final figures may affect the retail price, because in the United Kingdom the CO₂ figures determine the level of the Vehicle Excise Duty ("VED") and therefore the total price of new cars. Please contact your Infiniti Centre for further updated information

² Figures quoted according to Directive 92/21/EC, version 95/48/EC (kerb weight with 90% fuel tank filling, 68 kg for the driver and 7 kg for luggage) for standard-specification vehicles. Optional equipment and accessories may increase this figure.

DISCLAIMERS

INFINITI Europe, Division of Nissan International SA, CH-550-1047524-0, Z.A. La Pièce - Bât. B2, Route de l'Etraz, 1180 Rolle, Switzerland

This brochure is intended for general descriptive and informational purposes only. It is subject to change and does not constitute an offer, representation or warranty (express or implied) by INFINITI Europe. Before relying on this brochure to make a purchase decision, interested parties should directly contact the INFINITI Centre to confirm the accuracy of any information given herein and how it relates to a specific vehicle. INFINITI Europe reserves the right to make changes, at any time, without prior notice, in prices, colours, materials, equipment, specifications and models and to discontinue models or equipment. Due to continuous product development and other pre- and post-production factors, the actual vehicle, materials and specifications may vary from this brochure. Some vehicles are shown with optional equipment. See the actual vehicle for complete accuracy. Availability and delivery times for particular models or equipment may vary. Specifications, options and accessories may differ in other countries. For additional information on availability, options or accessories, contact your INFINITI Centre.

*Available on selected models.

Information regarding driver assistance features (available on selected vehicles): **Forward Collision Warning** and **stop** are intended to warn you before a collision occurs; they cannot prevent a collision and are not a replacement for responsible driving. They may not provide warning or braking in certain conditions. Speed and other limitations apply. **Blind Spot Warning** is not a substitute for proper lane change procedures. The system will not prevent contact with other vehicles or accidents and may not detect every vehicle or object around you. **Intelligent Park Assist, Around View Monitor with Moving Object Detection** and **Front and Rear Sonar System** cannot completely eliminate blind spots and may not detect every object. Speed and other limitations apply. Some (e.g. moving object detection) only operate at speeds below 5 mph. **Intelligent Cruise Control** is not a collision avoidance system or warning device. This system helps maintain a distance to the vehicle in front under certain conditions. Designed to use limited braking. Failure to apply the brakes could result in an accident. **Lane Departure Warning** operates only when the lane markings are clearly visible, may not detect the lane markers in certain road, weather or driving conditions, and cannot prevent accidents or loss of control. Speed and other limitations apply. **Intelligent Cruise Control** is not a collision avoidance system or warning device. Designed to use limited braking. Failure to apply the brakes could result in an accident.

IMPORTANT: Never rely solely on any driver aids. It is the driver's responsibility to be in control of the vehicle at all times. Driver aids cannot prevent accidents or loss of control. Always check surroundings and turn to look behind you before moving vehicle or changing lanes. Various speed and other limitations apply.

For further details on all features, visit the INFINITI website or see Owner's Manual.

Bluetooth word mark and logos are owned by Bluetooth SIG, Inc., and any use of such marks by INFINITI is under license. Bose is a registered trademark of the Bose Corporation. iPod is a registered trademark of Apple Inc.

For UK: Fuel economy figures for the Q30 range: mpg (l/100km). Urban 32.5–44.8 (9.6–6.0), Extra Urban 51.4–67.3 (6.6–4.8), Combined 42.2–58.9 (7.7–5.2). CO₂ emissions 173–138 g/km.

Fuel economy figures are obtained from laboratory testing and are intended for comparisons between vehicles and may not reflect real driving results. Optional equipment, maintenance, driving behaviour, road and weather conditions may affect the official results.

All INFINITI models for UK are right-hand driven.
